OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE

FROM RAJASEVAPRASAKTA

The Muzrai Commissioner in Mysore,
BANGALORE.

To

K. Subba Rao, Esq., B.A.,
Secretary to Government,
General Department,

Jarneg 142. 44-1

SIR,

Disposal of lands belonging to Sri Srinivasadevaru temple at Mandya.

I have the honour to state that the temple of Sri Srinivasadevaru at Mandya was taken under Government management as per G.O.No.1624-5/Muz.308-37-8 dated 2-2-1929. A scale of income and Expenditure was sanctioned for the first time on 7-12-1929, and the then estimated income was Rs.511-0-0. This was converted into a major Muzrai Institution and a revised scale was fixed in this office order No. Dl. Dis.475/41-42 dated 5-6-1942 (copy enclosed for reference). An estimate for Rs.5,505-0-0 for the renovation of this temple has also been sanctioned by Government in their order No.R. 5829-31/Muz.164-42-2, dated 28-12-1942.

2) Most of the Inam lands belonging to the temple in the marginally noted villages are reported to have become irrigable with the opening of the Irwin Canal.

	Extent.	Assessment.
1) Halasagere.	31-31	Rs. 30- 8-0.
2) Echagere.	64-20	44- 4-0.
3) Thubinkere.	31-0	24- 4-0.
4) Guttalu.	91-9	80- 4-0
5) Manegananalli.	33-37	24-12-0.
6) Kottatti.	15-7	9- 8-0.
7) Hyderanalli.	43-6	36-0- 0.
	310-30	249- 8- 0.

The local officers say that there is no prospect of leasing out such a large extent of irrigable lands for specific periods as no one is likely to come forward to invest money for cultivation. The local officers are of opinion that it would be more advantageous, to dispose of the lands by sale without cancelling the inam tenure, creating the purchasers as permanent tenants with heritable and trans-

transferable rights, subject to payment of full a
the temple. This will enable the institution to secure a
Income of Rs.283-8-0 as 'Jari' and also a substantial income by
interest by investing the realisations from sale in 3½ % Charitable
Deposits. The Deputy Commissioner, in supporting the proposals of the
local officers, requests sanction to the sale of the permanent right of
cultivation at public auction as was done in the case of inam lands
belonging to Sri Garudadevaru temple at Bindiganavale, Nagamangala taluk.
(vide G.O.No.1439-43/Muz.263-41-2 dated 20-2-42).

3) The Commissioner for settlement and lands records who was consulted on the subject has stated that he has no objection for the proposal.

4) In these circumstances, I request that sanction of Government may kindly be obtained to the disposal of all the lands in public auction without cancelling the Inam tenure and without reservation of any special right, by Government, treating the purchasers of lands as permanent tenants with heretable and transferable rights, subject to payment of full assessmen and cesses to the temple, as in the case of lands belonging to Bindiganavale temple. Sanction may also be accorded to invest the sale proceeds of the lands under 7 (a) Charitable Deposits to the best advantage of the institu

Letter No.I.B.563/43-44. dated 15th June 1944 from The Commissioner for Settlement and Land Records in Mysore, Bangalore to The Muzrai Commissioner in Mysore.

Subject: Re: the cancellation of the Inam tenure of Re-S.No.5 corresponding to the same original survey number of Halasagere village, Mandya Taluk now endowed to Srinivasadevaru temple at Mandya.

With reference to the correspondence ending with your letter No.I.1,511/43-44 dated 9th May 1944, requesting my opinion on the above subject, I have the honour to state as follows:

From the records of this office it is seen that the Inam land in question was granted by the Chief Commissioner of Mysore for the up-keep of the Chattram built by Mr. Srinivasa Rao at Mandya. At the Inam settlement which took place in the year 1879 this grant was recognised and confirmed as Dharmadaya Inam under T.D. No.490/50 for the benefit of the said Chatram. There is no entry in the Inam Records of this office to show that the landin question was intended for the benefit of the Srinivasadevaru temple.

The records received with your letter show however that most of the Inam lands granted for the up-keep of the Chatram under T.D.Nos.779/232, 767/217, 765/144, 490/50 and 319/37 are being enjoyed by the temple for a very long time.

Though, under the terms of the grant, the realisations from the Inam lands have to be utilised for the up-keep of the Chattram, yet the Government have, in their Order No.1524-5/Muz.308-27-8 dated 2nd February 2929, acquiesced in the arrangements made by the original grantee, to divert the proceeds to a different, object Viz., for the pooja of Srinivasadevaru installed by him in the Chattram building itself.

P.T.O.

In the circumstances, I would suggest ~~xxx~~ that orders of Government may be kindly contained for treating as Devadaya Inam, the several lands allotted for the benefit of the temple.

There is however no objection as already indicated in this office letter No.I.B.101/42-43 dated 23rd October 1942 to sell the Inam lands without cancelling the Inam tenure and treat the purchasers as permanent tenants as per G.O.No.1439-43/Muz.263-41-2 dated 20th February 1942.

The connected file of papers received with your letter is returned herewith.

For MUZRAI COMMISSIONER.

Letter No.Hl.27/43-44, dated 1st May, 1944, from The Deputy Commissioner, Mandya District, to the Muzrai Commissioner in Mysore, Bangalore.

Subject: Sale of Inam lands Sri Srinivasadevaru temple-Mandya, without cancellation of the Inam tenure.

With reference to the correspondence ending with your memo No.C.812/40 dated 21-12-42 and Nl.511/43 dated 27-8-43 on the above subject, I have the honour to forward herewith the file of records ending with-- Mandya Sub Division Officer's Memo No.Muz.1438/42 dated 28-3-44 and to state as follows:

The temple of Sri Srinivasadevaru is situated in the paremises of the Mandya-Kasaba Chatram and is part and parcel of the Chattram building and though the temple has no separate Devadaya endowments, the Dharmadaya lands endowed for the Chatram are from a long time in possession and enjoyment of the temple.

It is also seen from the accounts maintained by the Dharmakartha before the institution came under Government management (account book from 1912-13 onwards enclosed in the file) that the institution is termed as "Amaldar Srinivasarayara Chatra-Devasthana" and that the gutta income from the Inam lands came to be utilised solely for the services in the temple. Besides this, the connected records relating to taking over the institutions under Government management(enclosed herein) also point out to the fact that the temple and the Chatram were all along treated as a single institution of the proceeds of Dharmadaya inam lands for the purposes of service in the temple.

Further, after the institutions were taken under Government management as per G.O.No.1624/5 Muz. 308-27-8 dated 2-2-1929 (copy enclosed in the records)

P.T.O.

scales of income and expenditure have been sanctioned in respect of the temple only (the last being the one sanctioned by the Muzrai Commissioner in his No.Dl.Dis.475/41-42 dated 5-6-1942) taking the cash realizations of gutta of these dharmadaya Inam lands as the main source of income.

Under the aforesaid circumstances and in view of the other facts explained in the Amildar's report, the Dharmadaya inam lands endowed to Srinivasa Rao(s Chatram at Halasagere have come to be the property of the institution in question. Early orders of Government may therefore kindly be accorded for selling the Inam lands as per G.O.No.1439-43/muz.263-41-2 dated 20-2-1942 (i.E. in the case of Bindiganavole temples)

Letter No.H2.126/42. dated 25th May, 1943, from the Deputy Commissioner, Mandya District, to The Muzrai Commissioner, In Mysore..

Subject: Cancellation of the Inam tenure of the Inam lands endowed to Srinivasa-devaru temple at Mandya in Halasagere village, Mandya taluk.

...

In forwarding herewith one file of records ending with Memo. No.1731/40 dated 2-3-1943 from the Sub Division Officer, Mandya on the above subject, I have the honour to state as follows:

Sri Srinivasa Devaru temple at Mandya is a major Muzrai institution having extensive Inam lands endowed among which the subject under reference Viz., the marginally noted * S.No.of Halasagere village is one.

S. No.5 of Halasagere village.	
Extent. kind	Assessment.
11-25. Irrigable dry.	13- 0- 0.

The Inam lands of many Muzrai Institutions in Mandya Taluk have become irrigable consequent on the advent of the Irwin Canal. In the earlier stages, there was no difficulty in securing lessees; but of late, there has been a lot of difficulty in obtaining bids in the lease sale. The subject under reference is an instance of the kind. S.No.5 of Halasagere endowed to Sri Srinivasadevaru temple at Mandya is lying fallow for the last two or three years as could be seen from the records. The Amildar Mandya sold the lease sale on 17-2-1942 and none offered bids in the sale nor was any one prepared to take up the lands on "VARA" tenure even.

In order to overcome this difficulty in a similar case relating to the Inam lands belonging to Bindiganavale Sri Garuda Devaru temple, the Government in their order No.1429-43/Muz.203-41-2 dated 20-2-1942 sanctioned the disposal of the Inam lands by sale, without cancelling the Inam tenure of the lands, and without any restrictions or reservations of special rights treating the purchasers of the lands as permanent tenants with heritable and transferable rights subject to payment of full survey assessment and cesses to the temple, the realizations of the sale being invested under charitable deposits for the benefit of the institutions.

As the above procedure appeared to be advantageous to the institutions, the Sub Division Officer, was requested to consult the Dharmadarsies in the matter in the present case and report. As per the extract of the resolution of the Dharmadarsies enclosed in the file, they are quite agreeable to the above proposal.

In this connection Mr. S. Mahhaji Rao on behalf of Rao Bahadur Dharmaprakasa Mr. S. Sajjana Rao of Bangalore has represented a petition to the Amildar, Mandya Taluk that as the lands in question were situated adjacent to his lands in Halasagere village, he was prepared to purchase the lands in question at an upset price.

As the sale of the lands in public auction, without the caneellation of Inam tenure, treating the purchasers of the land in auction as permanent tenants with heritble and transferable rights, subject to payment of full assessment and cesses to the temple and the lands sold as wet being more advantageous to the insitution than to sell at an upset price. I request that orders of Government for the disposal of the lands similar to the conditions laid down in case of Inam lands belonging to Bindiganavale temple may kindly be obtained. The Dharmadarsie of the institution are also agreeable to this proposal..

Letter No. H1-27/43, dated 11th August, 1943, from the Deputy Commissioner, Mandya District, to The Muzrai Commissioner, in Mysore, Bangalore.

Subject: Disposal of the several Inam lands endowed to Sri Srinivasadevaru temples at Mandya in Guttalu village, (Mandya taluk) without caneelling the inam tenure of the lands and without any resxtrictions of special rights treating the purchasers of the lands as permanent tenants with heritable and transferrable rights etc.,

I have the honour to invite kind reference to this office letter No. H2.126/42 dated 20-5-1943 recommending the disposal of the Inam lands endowed to Sri Srinivasa devaru temple at Mandya in Halasagere village, (Mandya Taluk) in similar lines referred to above, and to forward herewith another file of records relating to the disposal of the Inam lands endowed to the same institution Guttalu village on similar lines.

The marginally noted survey numbers endowed to Sri Srinivasa devaru temple at Guttalu were soldin lease sale by the Amildar Mandya, on 26-2-43 for a period of five years from 1943-44, and the sale proved infructious similar to the one held for the year 42-43 2 acres out of S.No.56 measuring 3 acres 18 guntas included among the Inam lands endowed has been leased out for a period of 5 years to one Channegowda on an annual rental of Rs.29/- per acre.

As the lease sale held by the Amildar during the 41-42 and 42-43 have been proved infructious, the only alternative is to dispose of the above S.Nos. in the terms of G.O.No.1439-43/Muz.263-41-2 dated 20-2-42 without cancelling the Inam tenure of the lands and without any restrictions of special rights, treating the purchases of the lands as permanent tenants with heritable and transferable rights, subject to payment of full survey assessment and cesses to the temples.

An application received in the above behalf from Mr. G.Veerappa, Advocate, Bangalore, who is stated to be the owner of the adjoining survey number in question is herein enclosed for perusal, and for according sanction of Government thereto.

Mahomed Ismail Sheriff, Esq., B.A.,
General Secretary to the Government of Mysore,
BANGALORE.

Sir,

Disposal of lands belonging to Sri Srinivasadevaru Temple at Mandya.

With reference to your letter No.R.4171/Muz.142-44-2 dated 16th December 1944, on the above subject, I have the honor to state that it is reported by the Deputy Commissioner, Mandya District, that, out of the total extent of 304 acres 19 guntas of land belonging to the temple, an extent of 245 acres 30 guntas has come under irrigation, after the advent of the Irwin Canal, and the remaining extent of 58 acres 29 guntas is dry, and that such lands have been leased out on temporary tenure, and there is no kadim tenancy in respect of any of these. It is seen from the enclosed statement, that the marginally noted lands,* 105 acres 29 guntas in extent, have been leased out for an annual gutta of Rs 1997-3-2, and no bids were secured in respect of the remaining lands.

2) As regards the income expected to be realised by the sale of these lands, it is reported by the Deputy Commissioner, that irrigable lands are likely to fetch Rs 250 to Rs 300 per acre, and the dry lands about Rs 50 per acre. Under the existing war conditions, it is probable that a sum of Rs 50,000 or more might be realised, and the interest from investment of this amount may be estimated at Rs 2000 a year.

3) As already reported, I request that sanction of Government may kindly be obtained for the disposal of all the lands, in public auction, and, for the investment of the proceeds in 7(a) Charitable Deposits.

4) A copy of letter No.Hl.27/43 dated 26th May 1945 from the Deputy Commissioner, Mandya District, together with the entire connected records is sent herewith for favour of reference.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

R e a d:

Government Order No. 1584-5/Muz. 308-27-8, dated the 2nd February 1929, sanctioning the resumption under the management of Government of the inam lands endowed to Sri Srinivasadevaru Temple and the Chattre at Mandya built by the late Mr. Srinivasa Rao, Amildar.

2. Letter No. M1-511/43-44, dated the 2nd December 1944 from the Muzrai Commissioner stating that most of the inam lands belonging to Sri Srinivasadevaru Temple in the marginally noted villages are stated to have become irrigable with the opening of the Irwin Canal that the Deputy Commissioner, Mandya District, agrees with the local officers in the view that there is no remote prospect of leasing out such a large extent of irrigable lands for specific periods and that no one is likely to invest money for cultivation and recommends sanction to the sale of the permanent right of cultivation by public auction and requesting sanction to (1) the disposal of all the lands in public auction thereby cancelling the inam tenure and without reservation of any special rights by Government, treating the purchasers of these lands as permanent tenants with heritable and transferable rights, subject to the payment of full assessment and cesses to the temple and (2) the investment of the sale proceeds of the lands under "7 (a) Charitable Deposits", in the best interests of the institution and adding that the Commissioner for Settlement and Land Records is also agreeable to the proposal.
